4. ACCOMMODATION

Accommodation in the University of Primorska dormitories is not possible and relevant for mobile students.

Sharing a flat is a popular choice among students, as it offers more affordable living costs and the opportunity to meet people from diverse backgrounds. In most cases, incoming mobile students can expect to arrange accommodation in private housing.

Please be careful when searching for accommodation on social media. From experience, various Facebook groups are not the most reliable, so please pay extra attention. We recommend that you check the accommodation website welcome.upr.si/en.

If you have any doubts about accommodation, feel free to contact us at accommodation@esnprimorska.si or international@upr.si.
